Store Brand 15 Amp GFCI White Receptacle 43684

Model Number: 43684

Store Brand 15 Amp GFCI White Receptacle 43684

Manufacturer: Steambrite MFG

Protect your home with a GE 15 Amp Tamper-Resistant Self-Test GFCI Outlet. The GFCI receptacle electronically detects electrical ground faults and quickly shuts off the power to prevent serious shock. It features tamper-resistant outlets to prevent insertion of foreign objects, internal automatic self-testing to ensure continuous protection, handy reset/test buttons and an end-of-life LED indicator light. The 15 Amp Tamper-Resistant Self-Test GFCI Outlet is easy to install, replacing an existing outlet in as little as 15-minutes. Wallplate sold separately. Complete installation instructions included. This product meets new UL 943 requirements, complies with National Electric Code.

- Helps prevent electrical shocks
- 2-grounded outlets
