Model Number: 20181107

Clean Storm 20181107, Rubber Faucet Aerator Filler for Carpet Cleaners

Manufacturer: Clean Storm

Clean Storm 20181107, Rubber Faucet Aerator Filler for Carpet Cleaners
Description
Streamline your carpet and upholstery cleaning workflow with the Clean Storm 20181107 Rubber Faucet Aerator Filler. Designed as a cost-effective alternative to permanent auto-fill conversions, this durable rubber adapter lets you easily connect your own choice of hose or tubing directly to a standard sink faucet. By eliminating the need to haul heavy water buckets or risk messy spills during refills, this tool provides a reliable, efficient backup filling solution for professionals and facilities alike.
Features

- Eliminates the need for heavy water buckets during carpet and upholstery machine filling
- Cost-effective alternative to costly machine auto-fill conversion kits
- Prevents accidental water spills outside the tank during the filling process
- Ideal backup filling system when standard sink or shower head direct hookups are unavailable
- Customizable setup: attach any preferred length of hose or tubing to match your exact workspace
