Karcher: Hose, 3/8x 200', 2 wire, Tuff Skin, Leg, Solid X Swivel ends, Blue
8.925-321.0
- Legacy Shark
For use with hot or cold-water pressure washers, this hose is rated for continuous temperatures of up to 250° F. Built to exceed the EN1829-2 standard and will provide superior abrasion resistance that will increase the life of the hose. Double-wire braid hoses come with durable 8 inch bend restrictors on both ends. The unique "bite-the-wire" coupling actually reaches the wire braid for never-slip retention, far superior to the "compression" fittings used on conventional hoses. Each high pressure hose from Legacy has a permanently embossed identification to make for easy tracing and owner protection.

3/8" MPT swivel x 3/8" MPT swivel ends
4,500 PSI, 200 ft. long
