Manufacturer: Karcher Pressure Washing

Karcher: Hose Gray 3000psi 1w 50' So x SO - 8.925-285.0 -

- One wire braid •
- Red hose guard •
- High abrasion resistance •
- Superior flexibility •
- Thick hose guards on both ends •
- Resists kinking and twisting

For use with hot or cold-water pressure washers, this hose is rated for continuous temperatures of up to 250° F. Built to exceed the EN1829-2 standard and will provide superior abrasion resistance that will increase the life of the hose. Single wire braid hose comes with durable 8 inch bend restrictors on both ends. The unique "bite-the-wire" coupling actually reaches the wire braid for never-slip retention, far superior to the "compression" fittings used on conventional hoses. Each high pressure hose from Legacy has a permanently embossed identification to make for easy tracing and owner protection.
