Clean Storm 20181222, Carpet Cleaners Narrow Platform ETM Cart, 16in x 63in with Handles and 6 Wheels

Description

Increase the efficiency of your business or employee operation by using the Clean Storm 16" x 63" narrow utility cart! The ETM narrow is more efficient than a traditional hand-truck, allowing you to load all your carpet and tile cleaning equipment in a single trip. With a massive total load capacity of 2000 lbs, this heavy-duty cart is designed to transport equipment throughout buildings safely, helping you maximize productivity and move more gear in a shorter amount of time.

Maneuverability: The strategic position of the swivel casters on the ends of the cart, coupled with large rigid wheels at the center, provides exceptional stability and the unique ability to rotate the cart completely on its axis for effortless loading and unloading.

Anti-Slip Surface: Featuring an anti-slip diamond pattern steel deck, the loading surface grips your equipment and boxes securely to prevent shifting, enabling you to stack larger loads with total confidence.

Features

- Heavy-duty 2000 lb. total load capacity for demanding commercial applications
- Narrow 16" x 63" platform design easily navigates doorways and tight hallways
- Anti-slip diamond pattern steel deck keeps loads secure during transport
- Center-positioned large rigid wheels and end swivel casters allow 360-degree rotation on its axis
- Equipped with sturdy handles for comfortable grip and enhanced control
- Designed specifically for carpet cleaners, restoration professionals, and tile cleaning setups
