Description
Professional Grade Design.
Professional grade engineering for the consumer. Cool-running OHV design and tough cast-iron cylinder bore provides better fuel efficiency, more torque per unit of displacement and means your engine will last longer in harsh mowing conditions - so you can keep your mower longer and avoid costly trips to the repair shop.
Durable, Long Life Design.
Twin-cam design with cross flow cylinder head provides better cooling, more power and longer life.
High Power Performance.
Consistent-Cut™ technology delivers more consistent power to your mower deck in extreme load conditions, maximizing cutting, bagging, and mulching performance. So you can rest assured knowing there will be less clumping and missed areas.
User-Friendly Maintenance.

- Easy-access oil check and fill
- Inverted crankcase for leak-proof operation and easy oil change
- Two-year limited warranty
