Clean Storm 10-0101, 2-1/2 In OD Stainless Vacuum Hose Y Connector, 2.5 in Intake x Dual 2.0 in Outputs

Description

Maximize your carpet cleaning and extraction efficiency with the Clean Storm 10-0101 Stainless Vacuum Hose Y Connector. Engineered specifically for professional truckmount systems and high-powered carpet cleaning setups, this heavy-duty adapter splits a single 2-1/2 inch vacuum intake line into dual 2.0 inch output lines. Constructed entirely from 100% stainless steel, this Y connector provides exceptional durability, corrosion resistance, and uninterrupted airflow designed for a lifetime of rigorous commercial use.

Features

- 100% heavy-duty stainless steel construction ensures long-lasting durability and maximum corrosion resistance.
- Splits a single 2.5-inch vacuum hose line into two 2.0-inch output lines to optimize airflow and vacuum power distribution.
- Precision-engineered outer diameter design ensures a tight, secure fit with standard commercial vacuum hoses.
- Built to withstand extreme vacuum pressures and harsh professional cleaning chemicals.

Applications

- Professional carpet cleaning and extraction operations using truckmount vacuum systems.
- Automotive detailing and interior upholstery restoration.
- Commercial carpet, tile, and flood restoration extraction jobs requiring dual-line vacuum splitting.
