STEAM CLEANER SG 4/4 steam cleaner

The compact SG 4/4 steam cleaner with powerful steam pressure. With variable steam volume control and VapoHydro function this steam cleaner provides perfect cleaning results without the use of chemicals.

The SG 4/4 is a compact and robust steam cleaner which offers outstanding power and certified disinfection*.

Optimal cleaning is achieved thanks to 58 PSI steam pressure, variable steam control and the VapoHydro function (continuous regulation of steam saturation).

The 2-tank system can be refilled at any time.

A rapid heat-up time of the water provides uninterrupted operation.

The temperature indicator also helps to provide optimal cleaning results.

The SG 4/4 steam cleaner is extremely versatile and cleans without the use of chemicals.

Standard equipment includes two floor nozzles (for abrasive and hygienic cleaning), an integrated storage compartment for accessories, an integrated cord hook and a pipe intake for space-saving storage.

(*According to prEN 16615, PVC floor, machine: SG 4/4 (floor nozzle with slats, 30 cm/sec, max. steam pressure, min. VapoHydro), test bacteria: Enterococcus hirae ATCC 10541)
