With just the turn of a switch, easily change from extraction to interim cleaning. Make room for more storage by replacing two machines with one, or improve your cleaning process by adding productive interim cleaning to the mix. Interim cleaning extends the time between scheduled deep extractions and improves your carpets appearance. This machine operates at only 63 dBA which is perfect for daytime cleaning.
• Several uses for one machine
• Extraction and interim cleaning in one machine
• Change from interim to deep cleaning process at the turn of a switch - no mechanical changeover needed
• With the interim method using the iCapsol encapsulating chemical, the carpet is dry and ready for traffic in approximately 20 minutes.
• iCapsol interim cleaning process extends the time between scheduled deep extractions.
• Designed for maximum maneuverability
• Intuitive Control Panel for ease of use and training
• Built in storage prevents time-wasting trips back to the wet room

Steambrite Supply

Windsor 8.600-457.0 Mini Promax Jet Body ONLY Karcher 44067 for Commodore Duo Function and Voyager 2 and others

• On-board accessory wand for detail work
• Floating dual 20-inch counter-rotating brushes agitate and permeate the cleaners into both sides of the carpet nap for even, thorough cleaning. No operator adjustment needed.
• Powerful dual overlapping vac shoes extract soil and solution fast and efficiently in the Deep Restorative mode; vacuum shoes are equipped with a glide strip to reduce surface friction
• iCapsol Interim cleaning process extends the time before re-soiling occurs and reduces wicking

Factory Warranty

Five ways to use the Commodore DUO
• Encapsulation—Extends time between deep extractions and reduces re-soiling
• Deep Extraction—Deep, restorative cleaning
• Pre-spray and Rinse—Cleaning of surface soiling and extraction of soil in carpet while leaving the carpet free of shampoo or detergent, reducing resoiling
• Pre-spray and Extraction—Deep, restorative cleaning for very dirty carpet
• Rinse Only—Surface cleaning of carpet and elimination detergent and soap build-up, brightening the carpet and reducing resoiling
