Square Scrub SS EBG-16 Doodle Mop Corded Compact Floor Mopping & Cleaning Machine

Manufacturer: Square Scrub

Square Scrub SS EBG-16 Doodle Mop Corded Compact Floor Mopping & Cleaning Machine

Description

Designed For Daily Use. Everyday maintenance of your floors doesn't need to be a hassle. Put down the dirty mop and bucket and try out the Doodle Mop EBG-16 commercial electric mop instead. Designed for daily use, this machine can break through routine dirt and grime with ease and will surely become a staple in your cleaning arsenal. If you have been searching for a commercial-grade floor cleaning machine that is reliable, durable, and easy to operate, look no further than the Doodle Mop. For businesses and facilities of all kinds, it's important to have cleaning equipment that you know you can count on, day in and day out. The Doodle Mop from Square Scrub is the perfect commercial-strength electric mop machine for restaurants, gyms, hospitals, retail stores, and other high-traffic spaces.

Featuring a powerful 4100 rpm motor, this floor cleaning machine can dramatically improve your level of clean, as compared to traditional hand mopping. And it can handle your dirty floors, without being too heavy or clumsy to operate. The Doodle Mop was designed to be a lightweight and easy to use commercial electric mop, making it accessible for everyday jobs. This machine works with our 18" disposable microfiber pads, which reduce cross contamination, and ensure a safer and more sanitary floor. It also accepts our reusable replacement microfiber pad, for an environmentally conscious option. When you need to wash away grime and biofilm from your vinyl, rubber, wood, or tile, the Doodle Mop is here to help. Put the cleaning power of an auto scrubber in everyone's hands.

Because this machine is designed for daily use, we've improved its durability and ergonomic comfort. The 2-position handle provides greater flexibility and versatility for the user, and it includes a carrying strap and easy handle trigger too. The Doodle Mop EBG-16 only weighs 12 lbs and comes with a 35" power cord, and thanks to its compact size and stainless-steel base, it's simple to keep clean and maintain.
