Outperform with Mytee’s vinyl Cuff-Lynx™
Vinyl Cuff-Lynx™ don’t crack under pressure. Made out of high-quality vinyl, these flexible hose cuffs will outlast standard hard plastic hose cuffs.These vinyl cuffs have an ultra-low profile and swivel technology to reduce hose twists and kinks.
PACK OF 12, 2″ to 1.5″ Vinyl Cuff-Lynx™ Reducer
Features:

- Durable vinyl material resists breaks and splits
- Swivel technology reduces hose twisting & kinks
- Ultra low-profile design saves storage space on hose reels
- Reduces suction loss
- Fits standard hoses

Instructions for Use:
To prevent hoses from unscrewing from Cuff-Lynx™, it is advised to add a small amount GOOP® All Purpose Adhesive and Sealant to the vacuum hose threads. Available at most hardware stores. Not sold by Mytee®.
