Karcher 1.101-126.0 Puzzi 30/3 Quiet Low Noise Carpet Cleaning Machine with Hose Set and Wand 8 Gal Freight Included

Manufacturer: Karcher Pressure Washing

Karcher Puzzi 30/3 Carpet Cleaning Machine with Hose Set and Wand

With a noise level of 66 dB(A), the Puzzi 30/4 spray extraction cleaner is the quietest wet vacuum cleaner in its class and ideal for low-noise cleaning.
With an 8 gallon fresh water capacity and a 14" floor nozzle, this innovative spray extraction cleaner is especially suitable for cleaning large carpet areas.
The machine design focuses on ergonomic, stress-free and time-saving cleaning.
The EASY Operation concept and the ergonomic upright stance make handling much easier.
The learning curve is short thanks to easily understandable pictograms.
The dirty water tank is removable, and the handle and shape of the tank are designed for ergonomic carrying.
The tank is easy to clean, which also makes it suitable for filling the fresh water tank.
The short setup period saves time and money.
The drying time with this machine is up to 30% shorter than with competitive products.

This is partially due to the flexible and pivoting suction lip, which always assures an optimal suction angle.
The Puzzi 30/4 is easy to carry, even when lying flat with a full fresh water tank, and its large castor wheels make it easy to transport over stairs.

Equipment

- Spray hose with integral water feed, 4 m
- Power cable, 50 ft
- Spray suction hose (m), 4 m
- Additional handle
- Hand tool

Puzzi 30/4
30/4E

Note: Some international 240 volt versions (30/4E) show a heated switch/version. I do not see any inclinations that this machine heats the water as this would normally require a 2nd power cord plugging into a second power outlet.
