Manufacturer: Karcher Pressure Washing

Karcher K2000 Cleaning Tool Cold Electric 2000 psi 1.4 Gpm Pressure Washer 1.106-112.0 EAN UPC 88622024880

The all-new K2000 was developed to offer best-in-class cleaning performance and unparalleled ease of use.
This electric pressure washer delivers 2000 PSI of TruPressure™, ensuring you get the highest level of cleaning power, and is driven by a rugged induction motor.
It includes convenience features such as an unique on/off foot switch, a pressurized hose reel, a handy storage bin, two removable half-gallon detergent tanks and four spray nozzles (including a turbo nozzle for intense cleaning).
Metal hose connections, oversized no-flat wheels and an integrated aluminum frame make this unit highly durable.
Universal quick-connect nozzles and standard M22 hose connections simplify nozzle and accessory usage.
Best of all, no tools are needed for assembly – you can set up and start using the K2000 in five minutes or less!
When you're done cleaning, simply fold down the handle for compact storage.
Backed by a three year limited warranty, the K2000 is Kärcher's top-of-the-range consumer electric pressure washer and the ideal outdoor cleaning companion for demanding homeowners.
WARNING: This product can expose you to chemicals including lead and Diisononyl phthalate, which are known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

Our Best-in-Class Pressure Washer
Packed with Innovative Features:
Designed for high end performance with 2000 PSI and a 1.3 GPM water flow rate, Kärcher’s K2000 is perfect for users who demand the ultimate level of home cleaning. Integrated metal extrusions, oversized wheels and overall robust design allows you to take the product where you need to go. Key ease-of-use features include high cord wind, tall handle, bucket storage bin, space-saving rotating handle, dual removable detergent tanks, pressurized hose reel and an innovative on/off foot switch. Universal quick-connect wands and standard M22 hose connections simplify nozzle and accessory usage. The induction motor is engineered to withstand the rigorous demands of frequent residential use.
Certified Performance:
The K2000 meets all Pressure Washer Manufacturers Association PW101 performance requirements, which ensures accurate PSI and GPM ratings.
Backed by the Rapid Exchange Program:
The Rapid Exchange Program bypasses the hassles of a traditional repair program by providing a quick and free replacement for a pressure washer that requires in-warranty repairs. This model is covered by a 3 year warranty.
