Mytee A600 Self Install Van Shelf Modular Shelving System (Pack of 3 Shelves)

Manufacturer: Mytee Products Inc

Mytee A600 Self Install Van Shelf Modular Shelving System (Pack of 3 Shelves)

It’s time to rethink your van’s storage system.
Durable, versatile, and lightweight, Mytee’s Modular Van Shelving System takes the issues that other shelves seem to ignore and tackles them head on. The polyethylene frame provides a sturdy yet lightweight alternative to steel or aluminum shelves that won’t weigh you down and won’t rattle. This modular system adapts to meet your storage needs, so you get the exact number of shelves and level of organization you need. No more, no less. Don’t just get any shelf that works, get the one that works for you!
Makes 3 stackable shelves.

Assembled Product Dimensions

9.25" x 39.25" x 52.25"

Schematics
Assembly instructions
Includes:

6x shelf support sections
12x metal shelving tubes
2x floor mounts
2x wall anchors
24x #14 x 2″ screws
16x #14 x 1.25″ screws
40x 0.25″ flat washers

Note: If you plan on storing plastic chemical jugs, further support will be required to prevent the chemicals jug from failing/leaking.
Consider purchasing the Optional Mytee H621
