Manufacturer: Clean Storm

Clean Storm 81907385, Pressure Washer Aluminum Fuel Tank, 12 Gallon, 10in x 36in

Description

Upgrade or replace your pressure washer fuel cell with the heavy-duty Clean Storm 81907385 Aluminum Fuel Tank. Designed for optimal durability and performance, this 12-gallon tank features a spun sanded finish and comes complete with mounting brackets and a cap for simple setup. Ideal for storing gasoline, diesel fuel, or non-potable water, it provides reliable fluid storage built to withstand demanding job site conditions.

Features

- 12 Gallon Capacity: Generous storage space for long jobs without constant refueling.
- Bottom Mount Fuel Outlet: Ensures continuous, efficient fuel delivery to your equipment.
- Versatile Application: Suitable for gasoline, diesel fuel, and non-drinking water storage.
- Complete Assembly: Includes a heavy-duty cap and mounting brackets for quick installation.
- Compact Dimensions: Measures 10" x 36" for efficient space management on pressure washer frames and trailers.
