Specification
End of cable is round and is designed to fit in any 3/8 clutched drill. Do not use more than 360 degree of turns on the cable during use. If using a drill, you must a clutched drill and set the clutch to the lowest setting that still will keep the brush turning. Not more than If you are planning on using with your carpet cleaning machine, please be sure to purchase a Dust Downersystem too. This will spray water on the dry dirt as it travels down your vacuum hose and will turn the dirt into mud so you machine can properly deal with it. - 90 day factory warranty
Warranty
Please only use unit with no more than 360 degrees of turns.
Do not turn/use cable with the hose coiled up.
Must use a clutched drill set to the lowest clutch setting that allows the brush to still turn.
If you use a standard drill and/or break the cable it will not be warrantied.
The only way you can brake the cable is to use this with a non clutched drill and/or leave coiled up and or turn it over 320 rpm.
The only way to brake this cable if by operator error.

Steambrite Supply

Clean Storm 20191101, Solid Core Cable Drive Vac Hose, 1.5 X 20 ft With 12 inch Button Brush, for Air Duct Cleaning

Do not use faster than 320 rpm. (Usually you can place a zip / cable tie over the trigger to hold the speed - see video. Use optional foot petal control when you need to stop.)
If you break the cable you can remove the end and cut back the orange jacket and re-install the end.

Includes One free 860471 replacement inner cable.
Note you can also simply cut back the outer jacket to re-attach a broken inner cable if you do not want to replace it.
Once you brake the cable you will realize the importance to quit breaking the above rules to avoid breaking the cable in the first place.
