Model Number: L6-20P

NEMA L6-20P Plug for 10 and 12 AWG Wire

Manufacturer: Steambrite MFG

NEMA L6-20P Plug for 10 and 12 AWG Wire

The L620P 20 Amp 250-Volt Hart-Lock Industrial Grade Connector with Safety Grip is designed and built with superior materials for long-lasting performance.

NEMA provides a forum for the standardization and testing of electrical equipment, enabling consumers to select from a range of safe, effective and compatible electronics. Its ribbed nylon construction is rugged and durable for dependable use. This device features a smooth, tapered body that reduces snagging and provides easy handling.

It features serrated terminal plates and contoured terminal clamp "bites" on the conductors for positive termination.

A Single piece grounding contacts provides superior continuity.
