Karcher TennantTrue Wire Disk Sweep Brush 23 in 584 mm 59432 (8.805-477.0)

Manufacturer: Karcher Pressure Washing

Karcher TennantTrue Wire Disk Sweep Brush 23 in 584 mm 59432 (8.805-477.0)
Wire Disk Sweep brushes are an aggressive material for outdoor use, ideal for digging debris away from the edges of buildings and/or street curbs.
TennantTrue® brushes are uniquely designed for Tennant & Nobles machines. Parts are machine specific. Please check your machine model and serial number before ordering.
