Clean Storm 22544881, 10-30P to L6-30R Power Cord Adapter, 4 Ft 10 AWG, Husqvarna PG400 PG510 Grinders Blastrac 1-8DEC shot blasters

Manufacturer: Clean Storm

Clean Storm 22544881 NEMA 10-30P to L6-30R Power Cord Adapter (4 Ft, 10 AWG)

Description

Upgrade your job site versatility with the Clean Storm 22544881 Power Cord Adapter. Designed specifically for surface preparation equipment, this heavy-duty 4-foot adapter allows you to power your concrete grinders and shot blasters directly from a standard 3-prong dryer outlet.

Featuring a right-angle NEMA 10-30 male plug and a secure twist-lock NEMA L6-30 female receptacle, this cord ensures a reliable, safe connection for high-draw equipment. Built with premium 10 AWG inner copper wiring, it supports up to 30 Amps and 7,500 Watts, making it the ideal accessory for contractors using Husqvarna and Blastrac machinery.

Important Compatibility Note: Equipment such as the Husqvarna PG530 has been manufactured with various plug configurations (including L6-30P, L6-20P, and L14-30P). Please verify your machine's plug requirements prior to ordering to ensure complete compatibility.

Features

- **Seamless Compatibility:** Specifically designed to run Husqvarna PG400, PG510 grinders, and Blastrac 1-8DEC shot blasters from a 10-30P dryer outlet.
- **Heavy-Duty Construction:** Built with 10 AWG copper inner wire to safely handle up to 30 Amps, 250 Volts, and a maximum overload of 7,500 Watts.
- **Secure Twist-Lock Connection:** Features a molding NEMA L6-30 female connector to prevent accidental disconnections during heavy operation.
- **Space-Saving Design:** Molded right-angle NEMA 10-30 male plug reduces stress on the outlet and sits flush against the wall.
- **Optimal Length:** At 4 feet (48 inches), it offers flexibility while minimizing potential voltage drop.
