Kohler PA-CH640-3205 20Hp Command Pro Basic Horizontal Engine GTIN: N/A

Model Number: PA-CH640-3205

Kohler PA-CH640-3205 20Hp Command Pro Basic Horizontal Engine GTIN: N/A

Manufacturer: Kohler

Kohler 20Hp Command Basic V-Twin Engine Electric Start CH20S CH640-3205 supersedes CH640-3004, CH20S-64503 20 HP
CH640-3205 supersedes CH640-3004, CH20S-64503 20 HP W/PANEL 1-1/8 LWVAC
Item# 28065
Shaft 1-1/8" (28.550 mm)_PTO Mtg Face 4" (101.5 mm)_7/16-20

Durable, Long Life Design.
Hydraulic valve lifters are oil pressurized, ensuring that push rods stay in constant contact with the rocker arms. Requiring no adjustment, the valve train is virtually maintenance-free. In addition, full-pressure lubrication delivers continuous lube to critical engine components, even at 25-degree angle of operation and optional oil cooler regulates the oil temperature extending oil-change intervals. Large capacity, in-line fuel filter provides extra protection against dirt particles that can clog fuel lines.
High Power Performance.
Overhead valve technology provides greater volumetric efficiency and a higher compression ratio. This produces more power, improved fuel economy and cooling and reduces oil consumption. In addition, there is virtually no carbon buildup, reducing overall maintenance costs. The variable speed, mechanical governor promises smooth performance, regardless of application or fluctuating demands for power.

Reliable Starting.
Kohler Command PRO® electronic ignition system generates a stronger spark at low cranking speed and Automatic Compression Release (ACR) allows compression to escape during cranking to reduce pull force.

User-Friendly Maintenance.

High Power Performance.

Reliability and Long Life Design.

* Length is grass screen to PTO mounting face. Width is spark plug to spark plug. Height is top of air cleaner to mounting feet.
1 Max Power (hp) and Max Torque (lbs ft) specifications for Kohler general purpose engines are rated pursuant to Society of Automotive Engineers (SAE) J1940 based on gross output testing performed according to SAE J1995 without the air cleaner and muffler. Actual engine power and torque are lower and affected by accessories (air cleaner, exhaust, charging, cooling, fuel pump, etc.), application, engine speed, ambient operating conditions (temperature, humidity and altitude) and other factors. This J1940 / J1995 rating provides consistent measurement to customers who may want to control the intake and exhaust features of the engine. For more information, contact Kohler Co. Engine Engineering Department. Kohler Co. reserves the right to change product specifications, designs and standard equipment without notice and without incurring obligation.

Kohler 20Hp Command V-Twin Engine Electric Start CH20S CH640-3004 Basic

Overview
Kohler 20 HP Command V-Twin Horizontal Engine. For Simplicity Sun Star garden tractor. This gasoline-driven, 4-cycle, 20 HP engine has reliable features, including: OHV, cast iron V-Twin cylinder liners, and aluminum block construction.

Features + Benefits

Hydraulic valve lifters are oil-pressurized, ensuring that push rods stay in constant contract with the rocker arms

The valve train is virtually maintenance-free and requires no adjustment
Full-pressure lubrication delivers continuous lube to critical engine components, even at 25° angle of operation
Large capacity, in-line fuel filter provides extra protection against fuel line-clogging dirt particles
Overhead valve technology provides greater volumetric efficiency and a higher compression ratio, providing more power, improved fuel economy, reduced oil consumption and better cooling
Virtually no carbon buildup for reduced maintenance costs
The variable speed mechanical governor promises smooth performance, regardless of application or fluctuating demands for power
The Kohler Command® electronic ignition system generates a stronger spark at lower cranking speeds and the Automatic Compression Release (ACR) system allows compression to escape during cranking to reduce pull force for reliable starts

Easy maintenance, thanks to easy-access oil fill cap and dipstick handle and dual oil drains
High power performance, with high-performance spark plugs, a 15 Amp regulated alternator and a large in-line fuel filter
Reliable, long-life design with hardened crankshaft journals, high-efficiency fan and

Kohler PA-CH640-3205 20Hp Command Pro Basic Horizontal Engine GTIN: N/A

screen, large dual-element air filter with foam pre-cleaner, cast iron cylinder liners and a spin-on, full-flow oil filter
Quiet, smooth operation thanks to an engineered material blower housing and a mechanical fuel pump
CARB and EPA-emission certified
Smart-Choke® carburetor
Electronic ignition system
Solenoid shift starter
