Clean Storm 9.103-316.0, 1-1/2 Inch ID Wire Reinforced Vacuum Hose, 50 Foot Roll

Model Number: 9.103-316.0

Clean Storm 9.103-316.0, 1-1/2 Inch ID Wire Reinforced Vacuum Hose, 50 Foot Roll

Manufacturer: Clean Storm

Clean Storm 9.103-316.0, 1-1/2 Inch ID Wire Reinforced Vacuum Hose, 50 Foot Roll Description

The Clean Storm 9.103-316.0 Wire Reinforced Vacuum Hose is engineered for heavy-duty commercial cleaning applications and superior airflow performance. Featuring a 1-1/2 inch inner diameter and a generous 50-foot length, this durable hose is commonly utilized to connect vacuum motors within professional carpet cleaning machines. Built with an internal wire reinforcement structure, it resists kinking and collapse under high suction pressure, ensuring uninterrupted operation in demanding environments. Please note that the exact shade or color of the item is not guaranteed.

Features

- 1-1/2 inch inner diameter (ID) optimized for maximum vacuum suction and airflow
- Durable 50-foot roll provides ample length for complex commercial cleaning setups
- Internal wire reinforcement prevents kinking and hose collapse
- Ideal for connecting vacuum motors on professional carpet cleaning machines
- Flexible and robust construction designed to withstand rigorous daily use
