Manufacturer: Husqvarna Equipment

Demo Husqvarna AD10 Automatic Drill Concrete Core Drilling Auto Feeder Used AD
10 120V 966666603B B Rated

AD 10 is an automatic core drill system. It is in a class all its own in terms of intelligence, speed and ergonomics. No manual work is needed to move the drill along the drill stand. Hands-free drilling means you can produce far more holes per workday than with a manual feed. With one regulator you control the speed, power and direction. The unit also offers convenient drilling as you can stand comfortably upright, reducing body stress. Suitable for core drilling of small to large diameter holes. The AD 10 has a compact design and weighs only 8 lb.

Owners Manual

Demo / refurbished / blemished means: might have blemish, scratch, rust, or dent, used at a trade show, tested in the showroom by a customer, last years model, return by shipping company, returned by customer, used by factory for R&D work, no factory box. Limited stock so if you purchase it and we cannot fill the order because another customer beat you to the bargain, your money will be returned. Please do not call to see if it is still available as if the web page is up and viewable, it is available this second. If you delayed and asked if it available so you let some other customer place the order ahead of you. All sales are final.

Factory warranty as brand new: 6 Month parts!

Extend the warranty to 3 or 5 years for a little more.

Condition of this machine: "B" Only 9 at this price!

Our demo equipment usually has less than 200 hours on it.

Photos are not available as these ship from the factory rep direct to the customer and have already been cleaned and packaged.

Ships from NHOT, GAOT, OT, TCMF warehouses
