Manufacturer: Husqvarna Equipment

Husqvarna LF 80 LAT Soil And Asphalt Compation Machine Honda 967855002 + Extended Warranty + Shipping Included
LF 80 LAT is a lightweight, fast-operating forward plate compactor, designed for efficient compaction of soil and asphalt. It is ideal for repair jobs and maintenance work, such as driveways and parking lots. The large water tank features an oversized cap to enable less frequent and faster refills. It is easy to clean, leaves no marks on the pavement and uses whatever water is available on-site.
This 16 1/2in. Husqvarna Forward Plate Compactor is a fast-operating compactor is ideal for compacting thin to medium layers of granular soils. The unique plate shape and optimized speed enable fast and easy compaction with high production rates. The exclusive, patented, low-vibration handle protects you from unhealthy vibration levels. Compact design with foldable handle makes transportation and storage easy.
