Husqvarna K 535i Power Cutter Saw 36 volt PLUS 9in blade BUNDLE 17133862
967795902
Description

Put a superior next-generation battery product to the test on your commercial crew. Husqvarna’s K 535i battery power cutter delivers professional performance. The excellent power-to-weight ratio makes the product a versatile addition for lighter landscaping or hardscaping jobs. Boasting high power and low noise, the K 535i has comfortable handles and perfect balance. Suitable for cutting concrete garden plates, granite, or roof and floor tiles. Perfect for cutting rebar, landscape pavers, brick, block and 3" deep in concrete. The K 535i is adaptable for wet or dry cutting. Compatible with Husqvarna BLi200/ BLi300 batteries. You can easily move the battery from one product to another without interrupting your work. The slim design and low weight makes it easy to lift, control and manoeuvre during operation, which combined with exceptionally low vibrations makes this an ideal machine for lighter concrete jobs. The side-feeded battery placement maximises cooling and minimise slurry and dust containment. Reliable quick starts and creates a cutting option when gas or electric arent available. For perfect control, the intuitive keypad is designed for quick commands and features a SavETM function for maximum runtime. Advanced brushless motor is 25 % more efficient than a standard brush motor. This means that the motor provides a high and consistent torque.
Features
BUNDLE INCLUDES:

Husqvarna 967795902 K535i Power Cutter Saw 36 volt 9in blade
Priced Matched Priced Match Bare Tool K 535i
GTIN 805544022279
