Husqvarna 967108501-P, K 6500 Chain Saw Power Cutter, without Cutting Equipment, Price Match, GTIN 805544260343

Manufacturer: Husqvarna Construction Products

Husqvarna K 6500 Chain Saw Power Cutter without Cutting Equipment 967108501-P

Price Matching

Description

K 6500 Chain is equipped with high frequency PRIME[®] technology, making it a very powerful electric chain cutter. The high power output, well-balanced body and low vibrations make this machine very efficient and easy to use. With K 6500 Chain it is possible to cut 450 mm deep from one side, making this machine a great complement to wall saws to avoid overcutting at corners. It is also ideal for cutting irregular or small openings (as small as 11x11 cm). The PRIME[®] product range enables you to combine the system that is most efficient for your business. K 6500 can be used with either PP 65 or PP 220 as a power source. Expand the system as your needs develop. High power output which operates on both 3-phase (5.5 kW) and 1-phase (3 kW) at 220~240 V/180-480 V. The ergonomic design with low system weight and well balanced body with optimally positioned handles minimize the strain on your body. Operates with both 3- and 1-phase power. This machine is controlled by a power pack with built-in intelligence that communicates with the machine motor to ensure optimal power and rpm for each cutting job.

Features

- Automatically optimised power and rpm
- Anti-vibration system
- Overload protection
- Easy tension of chain
- Perfect for indoor use
- 450 mm deep cuts
- Deep cutting
- Precise cut of corners
- Irregular deep cutting perfect for small openings
- Adjustment to openings Pipe trenches
- Pipes Ventilation ducts

>

- Load-bearing beams installation
- Concrete, stone and masonry

Specification

Manual

Parts List

Engine

Rated input power: 4/ 7.4 hp

Voltage: 220-240 / 200-480 V

Frequency: 50/60 Hz

Cutting equipment

Cutting depth: max18 in

Peripheral speed: max5100 fpm

Dimensions

Product size width: 9.1 in

Product size height: 15 in

Weight: 20.1 lbs

Sound and noise

Sound power level, guaranteed (LWA)112 dB(A)

Sound pressure level at operators ear99 dB(A)
