Manufacturer: Karcher Pressure Washing

Karcher AP 100/50 M-CA Windsor Compass 2 Touchless Bathroom Cleaning Machine 1.007-080.0 AKA 1.007-056.0

One machine, one purpose, one totally clean environment.

One machine with unique features allow the operator to clean multiple surfaces easily and safely while increasing productivity, saving time, and reducing labor costs.

The Compass 2 is machine is a specialty machine dedicated to touchless cleaning.

This design removes soils and bacteria while increasing safety.

Touchless cleaning

- State-of-the-art touchless cleaning design allows the operator a clutter-free work station, while providing easy access to tools, chemicals and accessories.

Hygienic

- Daily cleaning will completely remove soils and bacteria, leaving your facility "Compass Clean."

Safety

- Safely and accurately dispenses cleaning solutions at a safe pressure, then it rinses at low or high pressure and vacuums the surfaces completely dry in 1/3 less time than conventional cleaning methods.

- Unique features of the Compass 2 allow the operator to clean multiple surfaces easily and safely while increasing productivity, saving time, and reducing labor costs.
