Nilodor 2110-C Nilecho 5 Gal PAIL Solvent Deoderizer and Thermal Fog By Certified 100D-5

Years of testing have proven Nilecho's strength and efficiency. Oil-soluble Nilecho is an economical solution for severe agricultural, industrial and commercial malodors. Nilecho is 100% active, environmentally safe, and may be used in proximity to animal feeding areas. Nilecho is "acceptable for use in inedible product processing areas, non-processing areas, and/or exterior areas of official establishments operating under the federal meat, poultry, shell egg grading, and egg products inspection programs." Oil soluble Nilecho may be used full strength or diluted with mineral spirits. It is formulated for most types of fog and/or vapor equipment. For many applications, a thermal fogger is recommended.

NILECHO®;  
Concentrated Oil-Soluble Deodorizer  
FRAGRANCE

Also available in Case Qt. 6/cs.
