Model Number: 46930SS
46930SS Stainless Steel Ball Valve 1/8 in Male X Female Pipe 1000 psi
Manufacturer: Clean Storm

Installs on solution hose between hose and the quick disconnect that you couple to your wand. Stainless steel with small black or blue handle. Handle is metal coated with black or blue vinyl, not plastic. 1/8" Mip X 1/8" Fip ends. And this one's rated up to 1000 PSI. Stainless construction makes it perfect for near or on ocean use.
