Description

Upgrade your doors, gates, and equipment with the Clean Storm Heavy Duty Extra Large Door Pull Handle. Engineered for maximum durability and ease of use, this 6.5-inch handle features an extra-clearance design that allows for a comfortable, secure grip—even when wearing thick work gloves.

Constructed from zinc-plated steel and finished with a protective black paint, this pull handle provides superior strength and corrosion resistance for both indoor and outdoor applications. It features two unthreaded through-holes for easy surface mounting, and all necessary mounting hardware is included for a quick, hassle-free installation.

Features

- Extra Large Clearance: Provides ample hand room for an easy, comfortable grip, ideal for heavy doors and industrial use.
- Heavy-Duty Construction: Built from strong zinc-plated steel designed to withstand high-frequency use.
- Weather-Resistant Finish: Painted black finish adds a clean, professional look while protecting against rust and wear.
- Complete Hardware Kit: Includes #12 x 1-1/2 in screws so you have everything needed for mounting right out of the box.
- Simple Installation: Designed with two unthreaded through-holes for quick, standard screw installation.
