Esteam NJA200-10 Ninja Classic 10gal 200psi Pump HEATED 2/2 Stage Vacs Portable Carpet Extractor Machine Only Freight Inc

Manufacturer: Esteam Cleaning Systems

Esteam NJA200-10 Ninja Classic Heated 200 PSI Portable Carpet Extractor – 10 Gallon, Dual 2-Stage Vacs
Part Number: NJA200-10
The Esteam Ninja Classic NJA200-10 is a professional heated portable carpet extractor built for carpet cleaning, upholstery cleaning, auto detailing, apartments, offices, janitorial work, and commercial maintenance cleaning. This model combines an adjustable 200 PSI solution pump, dual 2-stage vacuum motors, 10-gallon solution and recovery tanks, and an 1850-watt internal heater for improved cleaning performance.
Best Uses

- Residential and commercial carpet cleaning
- Apartment turn cleaning
- Upholstery and auto interior cleaning
- Janitorial route work
- Spot cleaning and maintenance cleaning

Key Features

- Adjustable 200 PSI pump for carpet, upholstery, and detail cleaning
- Internal 1850 watt heater helps improve soil suspension and cleaning results
- Dual 2-stage vacuum motors provide strong recovery and faster drying
- 10 gallon solution tank and 10 gallon recovery tank reduce refill and dump time
- Rotomolded polyethylene body for commercial durability
- Hinged body design allows easier access for service and maintenance
- CSA-US approved Ninja Classic platform
- Machine only – hoses, wand, hand tool, and chemicals sold separately unless selected as options

Why Buy This Machine?
The Ninja Classic series has been one of the most recognized portable extractor designs in the carpet cleaning industry. The NJA200-10 is a good choice when you want more cleaning performance than a basic cold-water extractor, but do not need the higher pressure of a 500 PSI machine. The heated 200 PSI setup is especially useful for general carpet cleaning, upholstery, vehicle interiors, rental property cleaning, and commercial maintenance work.

Dual 25 ft cords

Important Electrical Note
This heated dual-cord machine should be plugged into two separate properly grounded electrical circuits. Using both cords on the same circuit may trip a breaker, especially when the heater and vacuum motors are operating.
What Is Included?

- Esteam NJA200-10 heated portable extractor machine
- Built-in 200 PSI pump
- Dual 2-stage vacuum system
- Built-in heater

Not included unless selected: carpet wand, vacuum hose, solution hose, upholstery tool, chemicals, defoamer, and accessories.
Recommended Add-On Items

- 25 ft or 50 ft vacuum and solution hose set
- 12 inch dual-jet carpet cleaning wand
- Upholstery hand tool
- Carpet prespray and rinse detergent
- Defoamer
- Carpet groomer or rake

Frequently Asked Questions
Is this a heated extractor?
Yes. This NJA200-10 model includes an internal 1850 watt heater.
Does this include hoses and a wand?
No. This listing is for the machine only unless hoses or accessories are selected from the available options.
Is 200 PSI enough for carpet cleaning?
Yes. 200 PSI is commonly used for carpet, upholstery, auto detailing, and maintenance cleaning. For extremely dirty commercial carpet or tile and grout cleaning, a higher pressure machine may be preferred.
What is the difference between this and a 500 PSI extractor?

Steambrite Supply

Esteam NJA200-10 Ninja Classic 10gal 200psi Pump HEATED 2/2 Stage Vacs Portable Carpet Extractor Machine Only Freight Inc

The 200 PSI model is ideal for general carpet and upholstery cleaning. A 500 PSI model provides more pressure for heavier soil, commercial glue-down carpet, and specialty cleaning applications.
Can the color or label vary?
Yes. Factory production, branding, and plastic color shade may vary. Some machines may show Esteam, Diamondback, Century 400, Windsor, or related OEM labeling depending on factory production and distribution history. Orders are fulfilled by the part number ordered.
