Product Summary

This NorthStar Gas Cold Water Pressure Washer delivers industrial-strength cleaning power and durability. With a Honda GX690 engine and a Comet belt drive triplex plunger pump, this model blasts through the toughest caked on mud, dirt and debris — also great for prepping concrete surfaces, stripping paint and much more. Whatever the chore, this heavy-duty model gets the job done faster and better. For extra protection, it features a rugged 1-3/8in. steel tube frame with a roll-cage design to protect key components and withstand the punishment jobsites can dish out. The 11-gallon fuel tank provides extended run times. The large 15in. flat-free tires offer easy portability over any terrain and require virtually no maintenance.

NorthStar pressure washers undergo thousands of hours of rigorous testing to ensure peak performance, plus include an industry-leading warranty to give you extra peace of mind.
