Fixi Clamp Brush Attachment

Model Number: 7056-2

Fixi Clamp Brush Attachment

Manufacturer: -

This brush is especially designed to attach onto a Fixi Clamp (not included) without any tools.
This still allows you to use the other side of the camp to hold onto sponges or rags.
Simply scrub with one side, flip you pole over, and wipe with the other.

Availability: This product was added to our catalog on Monday 24 January, 2011
