Clean Storm 20210913 Mytee Escape Power Supply Bundle 457cc Plus Cords and Battery

Model Number: 20210913

Clean Storm 20210913 Mytee Escape Power Supply Bundle 457cc Plus Cords and Battery

Manufacturer: Clean Storm

Clean Storm 20210913 Mytee Escape Power Supply Bundle 457cc Plus Cords and Battery

Bundle includes 457cc Generator Plus all the starter stuff you will need to power up your Mytee Escape Plus.

Pick between operating on the customers electric clothes dryer plug (either 3 or 4 prong), the customer range or stove plug, or off your own standby generator. Operating from your customers electricity will save you a full gallon an hour over operating from the generator. This saves you thousands of dollars per year.

Note this generator will be full and their is no electricity left over to supply power to any other items, just powers the Mytee Escape Plus.
Requires premium fuel or ethanol free fuel only with 100% synthetic oil.
Ships on a pallet / skid and subject to 18 wheeler delivery surcharges.
Do not try to operate any additional electric heaters or rotary power wands with this size generator.
Generator battery and grounding bonding kit included.
This is the absolute min generator size to run the Mytee Escape Plus by itself.
You might have to keep the wand on the carpet to lower the amp draw.
Picking up the wand into the air increases the likely hood of tripping the generator breaker! Keep wand lip with contact to the carpet as much as possible!

Clean Storm 20200910 12 Volt UPG Sealed Lead Acid Generator Battery — AGM-type 9 Amps Screw In Terminals

Clean Storm 20210913 Mytee Escape Power Supply Bundle 457cc Plus Cords and Battery
