Clean Storm 20211126, Cold Pressure Washing Cart, 1000 psi 2 Gpm 120 volts

Model Number: 20211126

Clean Storm 20211126, Cold Pressure Washing Cart, 1000 psi 2 Gpm 120 volts

Manufacturer: Clean Storm

Clean Storm 20211126, Cold Pressure Washing Cart, 1000 psi 2 Gpm 120 volts
Description
The Clean Storm carted cold water, electric powered pressure washer uses a heavy tube steel frame protected by an industrial coating. This frame style offers excellent portability and is equipped with two 10” tires. The 1000 psi pressure washer features an industrial motor that is totally enclosed and thermal overload protected, along with an industrial triplex plunger pump with ceramic plungers and stainless steel valves protected by an unloader valve. This 2 gpm pressure washer is equipped with low pressure chemical injection for the application of concentrated liquid detergents, activated by a hi-low pressure adjustable nozzle on the trigger gun.
Features

- Heavy-duty tube steel frame with industrial protective coating
- Equipped with two 10-inch tires for excellent portability
- Totally enclosed, thermal overload protected industrial motor
- Industrial triplex plunger pump with ceramic plungers and stainless steel valves
- Low pressure chemical injection for concentrated liquid detergents
- Integrated wand and hose rack built into the frame design
- Includes a 3-gallon plastic chemical tank

Applications

- General equipment and vehicle washing
- Facility maintenance and outdoor surface cleaning
- Commercial and industrial cleaning tasks requiring portability
