Clean Storm 20211229 Wall Mount Pressure Washer Electric Cold 5Gpm 3000Psi 230 Volt 23 Amp
3 Phase Automatic Start Stop

Manufacturer: Clean Storm

Clean Storm 20211227 Wall Mount Pressure Washer Electric Cold 5 Gpm 3000 Psi
No Cover 230 Volt 23 Amp 3 Phase

This electric power washer is named an economy model only because these models save the money it costs for a full frame and cover to protect the machine. The Clean Storm economy wall mount cold water power washers keep the pressure washing equipment safe and secure mounted to the wall. Frame design includes a hook to hang the gun, hose and wand below the pressure washer. The frame features an industrial coating and grommets to hold the nozzles. Wall mount power washer features include an industrial motor that is totally enclosed and thermal overload protected, industrial triplex plunger pump with ceramic plungers and stainless steel valves is protected by unloader valve. Equipped with low pressure chemical injection for application of concentrate liquid detergents and is activated by using the soap tip. 0°, 15°, 25°, and 40°; Q-meg tips and trigger gun included.
