Clean Storm 20220223 Rotary Chimney Soot Cleaning and Sweep Kit 20 Feet Drill Driven for Fireplace Flue

Manufacturer: Clean Storm

Clean Storm 20220223 Rotary Chimney Soot Cleaning and Sweep Kit 20 Feet Drill Driven for Fireplace Flue

About this item

- **Durable Nylon Rods:** The flexible chimney cleaning kit contains 6 rods, each rod 1 meter in length. Made from nylon, durable, elastic, and chemically resistant. Designed with round fittings will not damage the flue when in motion.
- **Spins Forward & Reverse:** With a flexible Brush head, this chimney sweep is easy to rotate at high speed with a drill. It allows you to run your drill in both forward and reverse.
- **Easy & Quick Locking:** The durable rods of this soot eater rotary chimney cleaning system can be linked together or disassembled to adapt pipe length. No screw-in, easy to connect, and detach.
- **Simple To Use:** The gardus soot eater supports power sweeping and hand sweeping. Just attached it to a power drill, it will effectively sweep away soot. Keep your family safe and return you a clean chimney.
- **Wide Application:** Our Flexible rods can clean around tight bends and 45-degree angles with ease, getting right to the corners. The chimney sweep tools can clean all shapes of metal or brick chimney.

Chimney Sweep Kit 20FT

Cleaning your stove by yourself! With this premium chimney sweep kit, you can effectively sweep away soot from bottom up. No ladders needed.
