Husqvarna 967663701 T 10000 Dust and Slurry Vacuum Extractor 3 Phase 480V 21Amps Freight Included 805544261692

Manufacturer: Husqvarna Equipment

Husqvarna T 10000 Dust and Slurry Vacuum Extractor 967663701 3 Phase 480 Volts 21 Amps 805544261692

T 10000 is an effective industrial dust extractor to match the highly productive Dual Drive Technology® grinding machines Husqvarna PG 820 RC, PG 820, PG 680 RC, PG 680 as well as shavers, shot blasters and saws. Also perfect together with our pre separator C 5500 that easily can be mounted on the dust extractor. T 10000 is ideal for heavy-duty work and exacting demands on dust extraction. Powerful motor with ample capacity. The machine can deal with materials that are difficult to handle, such as grinding dust and demolition materials in a wide variety of applications. Has a reliable filter system with high collecting efficiency and a long filter life, and can deal with large quantities of fine dust. Equipped with three tested and certified HEPA class H13 filters ensuring clean air exhaust. The primary sock-style pre-filters provide long, uninterrupted service and can be cleaned efficiently from outside the tank via Jet Pulse air pressure. The Longopac® bag hose system ensures simple, dust-free bag changes
