Husqvarna 970605302, PG 8 DR 240V 3 Phase 50Amp 22Hp 32.7IN Wide Floor Grinder PG8DR Remote Control, GTIN 805544252256

Model Number: 970605302

Husqvarna 970605302, PG 8 DR 240V 3 Phase 50Amp 22Hp 32.7IN Wide Floor Grinder PG8DR Remote Control, GTIN 805544252256

Manufacturer: Husqvarna Equipment

Husqvarna 970605302 PG 830 RC 240 Volt 3 Phase 50 Amp 22 Hp 32.7 Inches Wide Floor Grinder PG830RC

The PG8DR is the largest and most powerful remote-controlled floor grinder in the Husqvarna PG-range. The remote control sets the operator free to manage hoses and cables while still grinding, for up to 40% higher productivity. The motorized drive also simplifies transportation. A new 20 hp / 15 kW motor is available in the range which means power is up by 36% compared to the 11 kW motor. This is a powerful choice for most grinding jobs, both industrial and commercial. The planetary drive system and the improved, Husqvarna-only Dual Drive Technology™ deliver extreme productivity. Adjustable weights for extra grinding pressure and LED lights come as option. Suitable for all applications: floor prep, grinding and polishing. The motorized drive enables easy transportation, improved ergonomics and outstanding grinding results. The PG 830 RC is the ultimate choice for the HiPERFLOOR® concrete polishing system. To maximize reliability and reduce maintenance, the vital components of the PG 830 are protected against dust and slurry inside the hermetically sealed grinding head and electrical cabinet. 830mm is 32.68 Inches across the outside of the apron.

Optional: LED lights, water kit, remote-control harness
Tool holder: EZchange™ Airflow

Applications

Husqvarna's unique Dual Drive Technology has now even higher disc speed capabilities. It enables you to individually control the speed and direction of the disc rotation and the speed and direction of the grinding head.
Three grinding discs offering total grinding width of 32" and powerful 22 HP motor
Performs all types of applications such as concrete grinding, coatings removal, concrete repair and polishing.
Adjustable grinding pressure. Optional weights allow to adjust grinding pressure in three pre-set positions. Also makes tilting machine back much easier.

SKU 805544252256

Benefits

Sealed grinding head with 1,000 hours service interval. No dust or water can intrude

Husqvarna 970605302, PG 8 DR 240V 3 Phase 50Amp 22Hp 32.7IN Wide Floor Grinder PG8DR Remote Control, GTIN 805544252256

to damage components.
Enhanced Dual Drive Technology has now even higher disc speed capabilities. It enables you to individually control the speed and direction of the disc rotation and the speed and direction of the grinding head.
Re-designed Dual Drive Technology transmission, fully sealed against dust. Self lubricating chain.
Versatile and powerful floor grinder but still compact enough to pass through a standard door.
