Complete the on line sale of this SKU

Ship this assembly back to Steambrite Supply

18975 Marbach Lane #200-C

San Antonio, TX 78266 USA

PH 210-662-9000

Please double box and aggressively pad the shipment.

Once we finish the rebuild, we will ship the pump and motor back to you.

Please note the is a rebuild of the pump and does not replace the electric motor part of this system.

If you would like a quote on a new electric motor, we can quote that too once we have the motor in house.

Rebuild kit Includes one each of the following:

Pumptec 10003 Kit "A" 500 psi Plunger & Seals Repairs 205V and 207V Pump Heads
