Husqvarna TS60 Tile Saw 10 Inch Blade X 28 Inch Cutting 120 Volt 96661
805544760225

A robust tile saw with a refined cart and rail system for perfectly straight cuts. The TS 60 is equipped with a patented water and slurry system for little to no mess. This includes an efficient recycling system that cleans water for reuse. Also, Elgard™ warns you of an approaching overload, and Electronic SoftStart™ allows starting with normal, slow acting fuses.

Max cutting length
28 in

Blade diameter, max
10 in

Features

Husqvarna TS 60 tile saw makes straight, diagonal and bevel tile cuts with the power of a 14.4-Amp motor

10-inch cutting blade functions in miter- or plunge-cutting applications

Saw can make straight cuts up to 27.5 inches in length as well as diagonal cuts of 19.5 inches

Husqvarna robust tile saw cuts at a depth of 2.75 inches at a 90-degree angle and 2 inches at a 45-degree angle, and it makes left or right bevel cuts

Locking fence and angle-cutting guide provide tile-cutting precision

Husqvarna easy-to-carry tile saw comes with a 1-year limited warranty

Blades not included

Optional Table is not included.
