Manufacturer: Clean Storm

Clean Storm 140488, 1/2in Mip X 1/2in Fip Steel Swivel Fitting, Not live, 420023-131280

The Clean Storm 140488 is a heavy-duty steel swivel adapter featuring a 1/2-inch Male Pipe (MIP/MNPT) connection and a 1/2-inch Female Pipe (FIP/NPSM) connection. Designed as a "not live" or non-working swivel, it allows rotation exclusively during the installation process to prevent hose twisting and simplify alignment, remaining completely rigid once tightened. Built for performance across water, air, and oil fluid systems.

Features

- Robust steel construction engineered to withstand high-pressure environments
- 1/2" MIP (MNPT) to 1/2" FIP (NPSM) thread configuration
- Non-live ("not live") swivel action facilitates easy alignment and prevents hose kinks during setup
- Versatile application use for water, air, and oil lines
- Direct OEM replacement compatibility
