Clean Storm 30073, Brass Adapter, 3/4in Female Pipe NPTF x 3/4in Male Garden Hose MGHT

Product Description

The Clean Storm 30073 is a heavy-duty brass connector engineered to bridge standard female pipe threads to a male garden hose connection. Built with precision-machined solid brass, this straight adapter ensures a leak-free, corrosion-resistant seal across various industrial, commercial, and high-pressure washing applications. Designed for effortless installation with standard wrench flats, it handles heavy water flow without degrading over time.

Key Features

- Solid Brass Construction: Superior durability and corrosion resistance compared to aluminum or plastic fittings.
- Precision Threading: Delivers a tight, secure seal between 3/4" Female NPTF pipe threads and standard 3/4" Male Garden Hose fittings.
- Hex Drive Design: Integrated 1.18" hex profile allows for quick, effortless tightening and removal with standard tools.
- Compact Straight Profile: Streamlined straight connector minimizes flow restriction and easily installs in tight spaces.
- Versatile Application: Ideal for pressure washers, commercial cleaning equipment, water transfer pumps, and plumbing lines.
