Husqvarna BMG 780 20Hp 30.7 Inch Wide Floor Grinder 970617004 460 Volt 3 Phase 32 Amps 1074 Lbs 1200 Rpm  
BMG 780 is a triple head grinder designed for finishing large horizontal surfaces. This machine is equipped as standard with a speed control system. It is an easy to use machine with low vibrations and at the same time has the highest grinding head pressure in the range. BMG 780 is equipped with a smart easy-to-use keypad that gives you all relevant information such as Amps, Volt, rpm, etc. In addition, the adjustable steering handle includes protection for the operating buttons. This is an ideal machine for companies dealing with removal of coating, concrete grinding or polishing applications
