Husqvarna 970615101 BS 110 Self Propelled Floor Scraper Blastrac BS-110 120 volt

PRODUCT DESCRIPTION

BS 110 is a powerful self-propelled machine, ideal for indoor and outdoor medium-sized renovation jobs. This floor scraper is constructed of rugged metal for longevity and durability on the site. BS 110 has a forward and backward function and is equipped as standard with speed control. With mainly electronic components, this floor scraper requires almost no maintenance to keep running at peak performance. BS 110 has a standard transport wheel on the front of the machine for ease of transportation on and off sites. It is a very quiet machine that is easy to operate with minimum vibrations. Depending on the type of flooring material you would like to remove, you can choose from a wide range of blades or chisels. This floor scraper is able to remove most (old) floor coverings such as linoleum, vinyl, carpet, adhesives, glue, etc.
