Clean Storm 28016B, 3/8 in FIP x 1/2 in FIP Brass 90Â° Reducing Elbow

Model Number: 28016B

Clean Storm 28016B, 3/8 in FIP x 1/2 in FIP Brass 90Â° Reducing Elbow

Manufacturer: Clean Storm

Clean Storm 28016B, 3/8 in FIP x 1/2 in FIP Brass 90° Reducing Elbow

Description

The Clean Storm 28016B is a heavy-duty, high-performance brass 90-degree reducing elbow engineered for reliable fluid and gas directional changes in high-pressure systems. Featuring female iron pipe (FIP) threads on both ends, this fitting seamlessly adapts a 3/8-inch connection to a 1/2-inch line at a right angle. Manufactured from durable brass, it offers superior resistance to corrosion, high temperatures, and chemical wear—making it an ideal component for commercial pressure washers, carpet cleaning equipment, plumbing applications, and pneumatic systems.

Features

- Precision Threading: Deep-cut 3/8" FIP and 1/2" FIP threads ensure a tight, leak-resistant seal with standard NPT connections.
- Heavy-Duty Brass Construction: Solid brass build provides exceptional corrosion resistance, longevity, and structural integrity under demanding conditions.
- Space-Saving 90° Design: Allows for clean 90-degree routing of hoses and pipes, preventing unnecessary kinks and flow restrictions in tight spaces.
- Versatile Compatibility: Engineered for high-pressure water, air, oil, and gas applications in commercial and industrial settings.
- Reducing Functionality: Effortlessly transitions plumbing or pressure lines between 3/8-inch and 1/2-inch sizes without the need for additional adapters.

Specifications

Brand
Clean Storm

Part / SKU Number
28016B

Parts & Accessories > Brass, Plastic, Steel, Stainless Hydraulic Fittings > Brass Fitting > Threaded X Threaded > Clean Storm 28016B, 3/8 in FIP x 1/2 in FIP Brass 90Â° Reducing Elbow

Clean Storm 28016B, 3/8 in FIP x 1/2 in FIP Brass 90Â° Reducing Elbow

Product Type
90° Reducing Elbow

Connection Side A
3/8 in FIP (Female Iron Pipe)

Connection Side B
1/2 in FIP (Female Iron Pipe)

Angle
90 Degrees

Material
Brass

Thread Style
NPT / FIP (Female)

Application
Pressure Washing, Carpet Cleaning, Plumbing, Pneumatics
