Model Number: 948174T

1 Mip X 1 Fip Brass Ball Valve T Handle 600 Psi 948174T

Manufacturer: Clean Storm

1" MIP x 1" FIP Brass Ball Valve with T-Handle &ndash; 600 PSI WOG &ndash; 948174T

Part Number: 948174T

This 1 inch brass ball valve is built with a male pipe thread on one side and a female pipe thread on the other side. The compact T-handle design makes it easier to operate in tight spaces where a longer lever handle may not fit. Commonly used on truckmount carpet cleaning equipment, pressure systems, water lines, and other service applications requiring a durable shutoff valve.

Key Features

- 1" Male NPT x 1" Female NPT connection
- Brass body construction
- T-handle operator for compact installations
- Rated up to 600 PSI WOG
- PTFE seat and seal materials
- Temperature range commonly listed as -20&deg;F to 300&deg;F
- Blow-out proof stem design
- Useful for water, oil, air, and general non-potable service applications

Specifications

SKU  
948174T

Valve Type  
Ball Valve

Connection  
1" MIP x 1" FIP / Male NPT x Female NPT

Body Material  
Brass

Handle Style  
T-Handle

Pressure Rating  
600 PSI WOG

>

Temperature Rating  
-20&deg;F to 300&deg;F

Seat / Seal Material  
PTFE

Stem Material  
Brass

Approx. Weight  
1.16 lbs

#### Recommended Uses

- Truckmount carpet cleaning equipment
- Extractor plumbing systems
- Pressure washer and water transfer applications
- General shutoff valve replacement
- Service vans where compact handle clearance is needed

#### Important Notes

- Not intended for potable drinking water unless the manufacturer specifically states lead-free compliance for your application.
- Always confirm thread size, pressure rating, and handle clearance before ordering.
- Images are for reference only. Purchases are fulfilled by the part number ordered.

#### Why Buy From Steam-Brite?

- Steam-Brite specializes in carpet cleaning, truckmount, pressure washing, and restoration equipment parts.
- Orders can ship by UPS, FedEx, USPS, or freight depending on size and weight.
- Support available for matching this valve to cleaning equipment and service plumbing applications.
