Factory Brochure

SSG Series - Our most rugged hot model designed for continuous, on-site cleaning

Shark Series oil-fired skids are the workhorses of the pressure washer industry. Delivering up to 5.6 GPM of hot water at up to 3500 PSI, these rugged gas- and diesel-powered machines are built on an open frame using heavy-gauge 11/4” powder coated steel and are ideal for mounting to a truck or on a trailer. The electric-start engine and powerful belt-drive Kärcher KT pump are isolated from the rest of the machine on a shock-mounted sub-frame to reduce vibration. Steam combination comes standard with all models.
Pair it with a Shark trailer for a mobile wash solution to on-site cleaning!

PRODUCT OVERVIEW
• Honda, Vanguard, Kohler engines
• 11/4” full steel skid frame
• Burner available in 12V DC or 120V AC
• Kärcher belt-drive tri-plunger pumps
• 1/2” Schedule 80 heating coil
• ETL safety certified
• Stainless steel coil wrap
• Power generator on four models
Member of Kärcher North America, Inc
• Compatible with Shark trailers for a mobile on-site wash system
