Model Number: 5MR RHC

Gardner Denver Sutorbilt Legend PD 5ML 5MP 5MS [5MR-LHC] Truck Mount Vacuum Blower Pump GAEMCSA0084

Manufacturer: Gardner Denver Product

Gardner Denver Sutorbilt Legend PD 5ML 5MP 5MS [5MR-LHC] Truck Mount Vacuum Blower Pump GAEMCSA0084 (special order - 6-Month average lead time)

Gardner Denver understands the complex needs and challenges of carpet cleaning industry and offers a unique range of carpet cleaning blowers/vacuum pumps known for their excellent performance and low maintenance.

&ndash; Pressure to 15 psig

&ndash; Vacuum to 16" Hg

Typical reduction of noise is 3 db (50% reduction) than the competition.

Sutorbilt® Blowers

Legend®, Legend® Q, Legend® DSL

The Sutorbilt Legend line of rotary positive displacement lobe blowers and vacuum pumps are the result of more than 75 years experience in the design, manufacture and support of superior industrial blower equipment. These blowers are at the heart of an ever-expanding variety of air solutions working every minute of every day around the globe.

The Sutorbilt Legend series is available with a Quiet option (Q-Series) for reduced noise up to 5 dBA and Dual Splash Lubrication (DSL -Series) for cooler operating temperature and reduced maintenance

Proven performance and reliability

Preferred by leading Original Equipment Manufacturers

Backed by local network of experienced and trusted sales and service professionals

Build in oil level site view window

The Legend Q Series has a high strength impeller case for reduced noise and vibrations, and a unique porting design which results in a quieter discharge noise. The Legend DSL Series offers superior quality, like refined timing and locking devices. They provide unmatched strength and rigidity from increased mass.

&ndash; 24/30 Warranty from date of manufacture

• Legendary 75 years of proven results and most recognized name in the industry

• Operating temperatures are up to 15°F cooler compared to leading competitive brands for longer bearing life

• Greater durability with an increased capacity for overhung load by as much as 30%

>

- Unmatched weight, rigidity and strength protect against bearing wear, rotor contact and overall package vibration
- Universal mounting feet allows for easy field conversion

4" Female Pipe Connection  
Spin at up to 2850 rpm  
Max discharge Temp: 260 degrees F.  
Commonly used with 40 horse power truckmounts.  
Mounts vertically or horizontally (feet included) and can be spun in either direction.
