Westpak 10-0522 Internal Spray 200-450 Psi Upholstery Cleaning Auto Detail Tool Wand Stainless Steel B07RZ56QVC

Upholstery Wand with internal spray that can attach to high pressure (200-500 psi) Extractor.
Included is a 9" QD pigtail for ease of use when connecting with your extractor hose.
Also, this upholstery tool is made with a quality brass spray jet for optimal performance.
This Extractor tool resist cracking and is superior to plastic tools.
Use this versatile upholstery tool with any of our high pressure Extractors.
Tough stainless steel construction means no worries if dropped too hard.
Thumb side included to use tool in low pressure applications to break open seal on cleaning to allow water to impact fabric more.
Note if you use less than 200 psi the vacuum is stronger than the water pressure and the vacuum will pull back the water before it cleans the fabric. This tool is for high pressure carpet and upholstery cleaning extractors.
When used with the correct pressure, tool clean bi-directionally (both directions forward and reverse) with no overspray or splashing!
