Sandia Plastic 50-4100-SS, Heated Super Spot-Xtract Extractor, 3gal 100psi 2 Stage Vacuum, Freight Included
The color of equipment is not guaranteed.
Descritpion
Ideal for detailing, spotting and upholstery cleaning. The steel heater chassis is mounted in its own roto-molded tank and frame.
A durable 55 psi pump delivers heated extracting solution into the carpet. The Super 2-stage Ametek 804 Watt / 130 CFM vacuum motor recovers spent solutions and soils. Double ball-bearing urethane wheels and slide-out carrying handle makes transport easy.
